John Copen What model and Year aircraft? After high school I flew tail Draggers on Long Island learning to fly. Thanks for all the work You are doing in class of 59 Stuff.

Michael Arlow Thanks John. Great to hear from you. My plane is a Diamond DA20-C1. My wife and I fly coast-to-coast and border-to-border. When we have time, we also publish a travelogue that I can add your name to. Best regards, Mike Arlow.
